

# dive base - RULES

## Dive base:

1. Please put your **bags** into the shelf, **no transport-boxes!** We provide bags.
2. Please put your weight-belts on the rack and close the buckle.
3. Private **Bottles** have to correspond to the Catalan regulation. If not, we are not allowed to fill them. After the dive, please put your bottle in front of the filling-station. All bottles have to be back at 5 p.m.
4. **It is not allowed to enter the compressor-room while the compressor is working.**
5. **Please respect our neighbours:**
  - Stay on our terrace (between the benches and Can Maset)
  - empty saltwater from boots, Jackets etc into the drain.
  - don't splatter or touch the windows of Can Maset.
6. **Valuables** can be locked up in our safe.
7. **Cleaning Equipment:** Please use our shower at the pier for everything. We also offer a bucket with fresh water for cameras and regulators at the dive base.

## Diving:

8. **Unguided dives and recognized licenses:**

Unguided dives are possible within the "4-stars" principle. We recognize all licences of all organizations according to *Barakuda's* list of equivalence.  
For divers with less than 30 dives it is obligatory to start with a guided dive at the house-reef.
9. **Dives at the house-reef** have to be started and ended within the borders of the swimming-area (please see map) to avoid accidents with boats.  
Night dives from the shore are forbidden by law.
10. **Boat diving:**

Please sign in for boat dives 1 day in advance. Signing in is binding.  
We meet at least 30 min. before departure at the dive base to prepare the equipment.  
"Gabriela" leaves on time. Diving time is limited to 60 min.
11. **Aboard Gabriela:**

Immediately after jumping into the water, swim to the rope of the buoy. Always go down and up holding on to the rope!  
After the dive, swim to the ladder, take off your fins and climb aboard.

**For your own safety:  
You have to follow the orders of the instructors and the captain!**
